Focusing strictly on premium Office Tower Facades.

Located exclusively in major international cities and high-density metropolises with significant commercial foot traffic and global visibility.

The Architectural Canvas

Asset Diagnostics: Unlocking Facade Value

	Traditional Facade	OTTIMEDIA Activated Facade
[Asset Utilization]	Passive Boundary	Active Media Canvas
[Revenue Generation]	\$0 Yield	High-Yield Monetization
[Urban Presence]	Static Architecture	Dynamic Urban Landmark
[Financial Alignment]	Cost Center	Significant Financial Interest Synergies

Paths to Commission

The Property Owner

Direct authorization. Owners who make their commercially used properties of corresponding size available in exchange for the attractive fee.

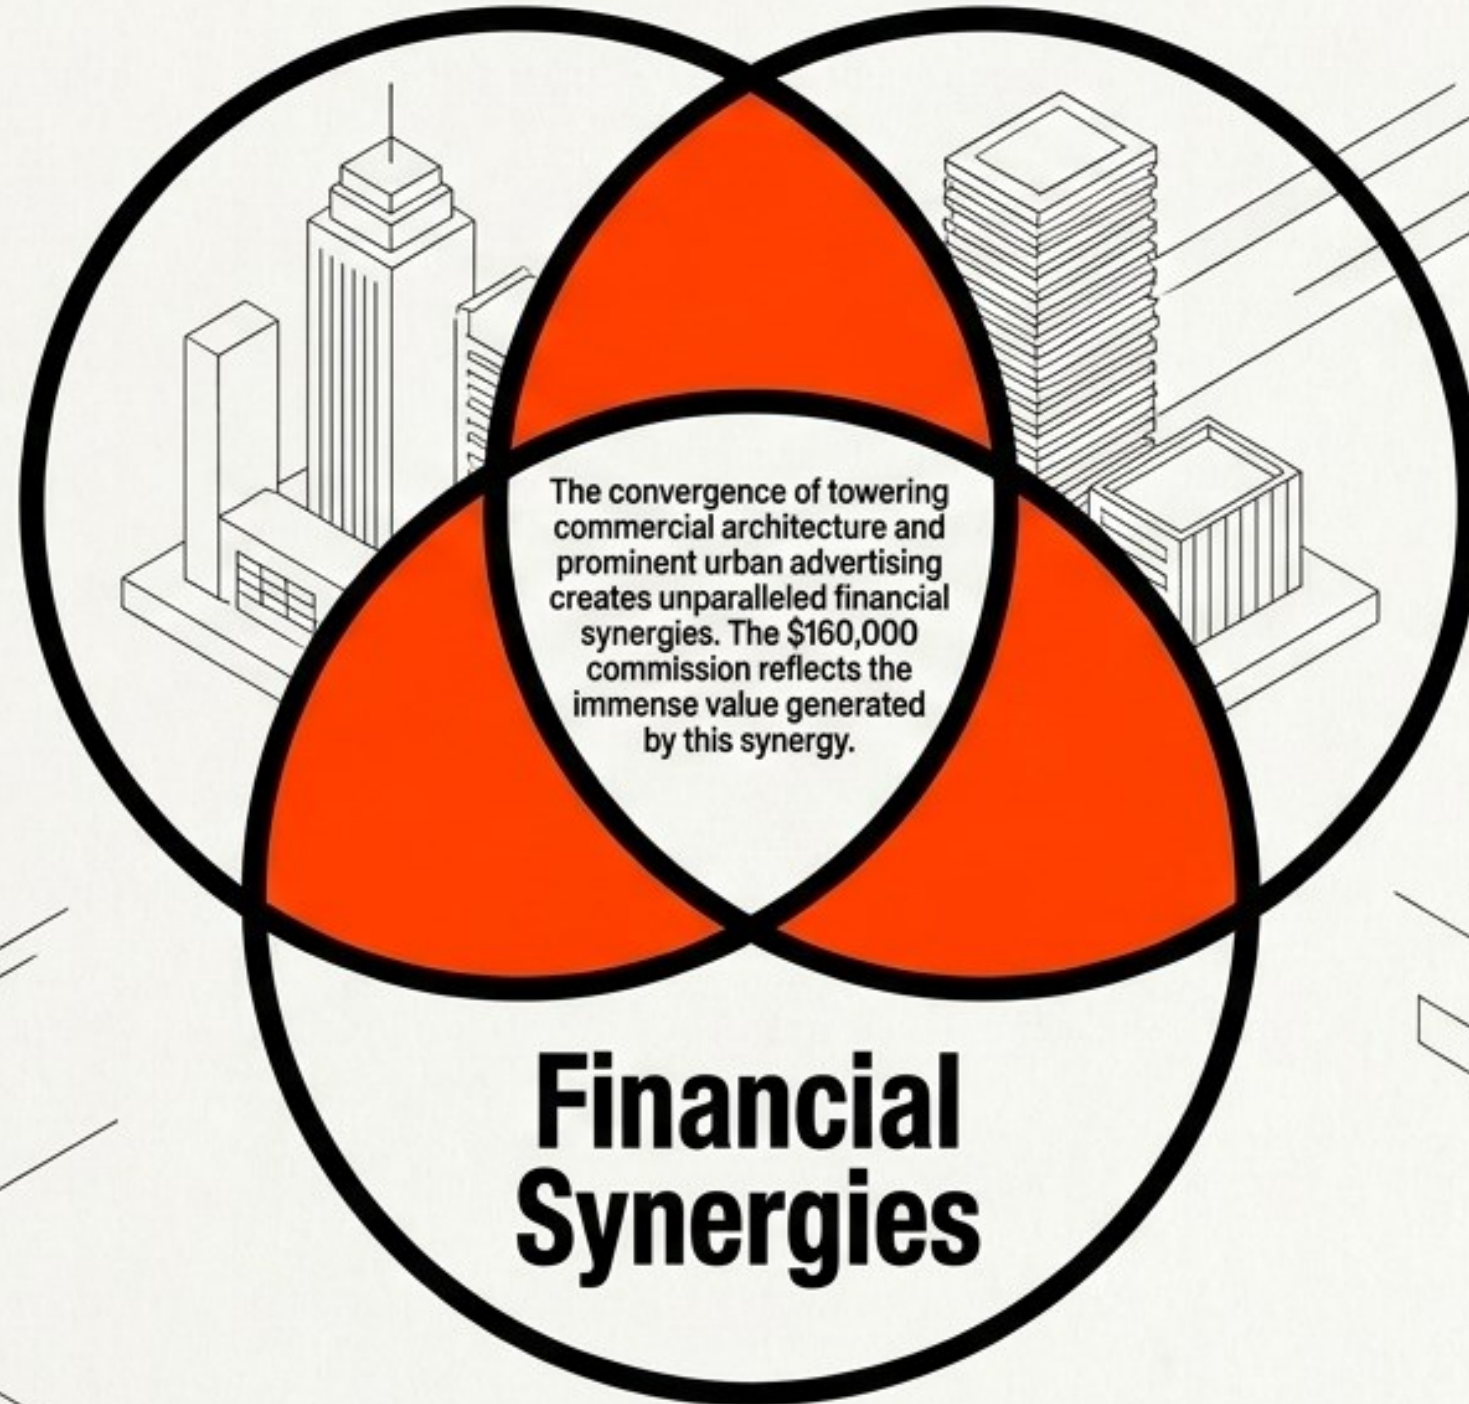

The Real Estate Agent / Broker

Facilitation. Agents who successfully source, pitch, and secure the space on behalf of a client.

Both paths result in the official securing of the 4 facades and the immediate release of the \$160,000 commission.
